

WEATHER ANNOUNCEMENT TEXT LIST

We have instituted a new method of informing members of important announcements such as cancellation of services. This is the same system the youth group uses to send text messages to students and parents. We will also continue to inform members via other means, such as by telephone, Facebook and the website.

If you want to be included in this text system, here's what you do:

To be added to our texting list, text "JACOC" to 40650.

Message frequency may be periodic. Msg & data rates may apply.

To cancel, send STOP to 40650 at any time. For help, send HELP to 40650 at any time.

When you send the text, you will receive a confirmation text from JACOC@synt.us which will say something like Welcome to JAYouth. This is normal and you will not get texts meant for the youth group. If you are already a member of the JAYouth text list, you will not be automatically subscribed to this list. Please follow the instructions above to join this new list.
