

LIFEGROUPS –

BETTER TOGETHER – LIVING IN LOVE, GROWING IN FAITH

LifeGroups consist of individuals or families who are committed to doing LIFE TOGETHER. They meet regularly in homes, coffee shops, restaurants, church and other gathering places for the purposes of connecting with God, with one another, and the local community. A LifeGroup needs a facilitator(s) and a group of people [usually a small group but not always] who are eager to grow stronger together *both* in faith and in life.

We believe that in community; that we're stronger together- that we're better together. Joining a LifeGroup at Bermudian Church will help you CONNECT with other people, GROW in faith and your relationship with God, and SERVE others together in love.

MISSION:

The purpose of the LifeGroups Ministry is to help Bermudian Church members develop deeper intimacy with God, experience real community with fellow believers, serve the Lord and increase their influence and witness with unbelievers.

HOW IT WORKS:

A LifeGroup is a small group of 5-12 believers or so who meet for fellowship, Bible discussion, and prayer in an effort to grow closer to God and closer to one another. In a fun and comfortable environment, LifeGroups serve as a way to cultivate spiritual growth. Simply, LifeGroups help new and seasoned believers fulfill God's purpose for their lives.

Being a part of a LifeGroup will help you:

- Develop deeper intimacy with God.
- Build friendships and form bonds with other believers.
- Grow in your faith and prayer life.
- Serve others in the community (at church or nearby neighbors)
- Witness and evangelize to unbelievers.

VALUES:

A LifeGroup is “a group of Holy Spirit indwelt people who have intentional growing relationships with each other and with the Lord, and use those relationships to help fulfill Christ's mission for the church, while learning to love Jesus and one another at the same time.” It is essentially a group of people in mission-driven relationship to God and to one another.

In essence, LifeGroups are all about getting connected. In a church the size of Bermudian, it can seem impossible to know everyone, but there is a way for you to get involved and belong. Whether your need to connect is more social in nature, about spiritual growth or about finding a place to serve God, LifeGroups are the ideal place for you.
