Monthly budget: \$14,583.33

~Upcoming Events~

Whitewater Rafting at the Forks - July 19th

Church camping trip - July 31st-August 4th

Today's Ushers: Matt, Angie w/Gabe, Josh Brian

- ♦ **Register Now!** Please register your children for VBS today! It will simplify everything tomorrow. The online link is: <https://www.jotform.com/250637409470155> The URL and paper forms are on the table in the foyer.
- ♦ **VBS Prayer Walk** today after the service. Prayer is so key to success during the week. Please join us to seek the Lord's blessing and protection.
- ♦ **VBS Set-up today following the Prayer Walk** - Many helpers are needed to stay for about an hour to carry supplies upstairs as well as move tables and chairs in the sanctuary. Thank you!
- ♦ **VBS volunteers** - On Friday night when VBS is over, please turn in any Wonder Junction printed materials you may have as these will be passed along to another church.
- ♦ **VBS Tear Down** on Saturday, July 19th at 8 am. Volunteers are needed to help with the sad job of dismantling, organizing and putting all the VBS supplies and sets away.
- ♦ **Prayer Meeting** is cancelled this week to make room for VBS.
- ♦ **Business Meeting** - July 27th after church. Jenny Porter has been nominated and approved by the leaders to become a Deaconess at Harvest Chapel. Please plan to attend this meeting to discuss and vote her in!
- ♦ **Egg Cartons** - Once again, the Food Panty could use your donations of egg cartons. These may be left in the box outside the office door.
- ♦ **Kids Kloset** would like donations of toys, boys shoes and boys clothing size 5 and up. Thank you!
- ♦ **Church Camping Trip** - July 31st - August 4th at Peak's Kenny State Park. Our worship service will be held there at the Pavilion on August 3rd at 10 am instead of at church. Come spend the day after the service. Day parking is \$5.00 per person; children 5-11 are \$1.00 and under age 5 is free. If this is a hardship, the church can help.
- ♦ **Penobscot Christian School** is requesting helpers to hang sheet rock, mud or paint their new building. The link for more information is: <https://drive.google.com/file/d/12GufP7piRPfgyF-J-sleqYvFO4va9qY/view?usp=sharing>
