Money, Materialism & The American Dream

Steve Evans | FH

In a culture that constantly encourages us to pursue more, God calls us to a different perspective on wealth and success. This class will examine what the Bible teaches about money, contentment, stewardship, and finding our ultimate treasure in Christ rather than the things of this world.

Is Jesus the Only Way?

Sam Wienke | C7

Many people today believe there are multiple paths to God, but what does Scripture say? This class will explore the biblical evidence for Jesus' claim to be the only way to salvation and help believers respond with both conviction and compassion.

Prince or Pauper: Our Identity in Christ

Beth Fomley | E1

The world often defines us by our achievements, failures, or circumstances, but God gives His children a new identity. This class will explore what it means to be adopted into God's family and how understanding our identity in Christ transforms the way we live.

Truth in a "My Truth" World

Nathan Lyon | R3

In a culture where truth is often viewed as personal and subjective, God's Word stands as the unchanging standard. This class will examine how to recognize, defend, and live according to biblical truth while engaging a world that increasingly rejects absolute truth.

Faith in the Family

Steve & Rebekah Townsend | R5

Strong families are built on a strong foundation of faith. This class will provide biblical encouragement and practical wisdom for cultivating a Christ-centered home where faith is lived out, passed on, and strengthened across generations.
