Faithful Finance in Marriage

Zach & Katie Simon | FH

Money is merely a tool used in exchange for goods and experiences, however, the love of money can breed discourse individually and within marriage. Understanding that all we have has been given to us by God reminds us that we need to be good stewards. Applying practical principles to your finances in marriage allows you to honor God and your spouse.

Safe Together: Safety & Awareness & BCC

Greg Harger | C7

God calls His people to care for and protect one another. This class will examine biblical principles of wisdom, vigilance, and loving responsibility while discussing practical ways to foster a safe and secure church community.

Mission in the Middle East: Agony & Opportunity

Ines Bowers | E2

The Middle East is a region marked by both deep suffering and incredible gospel opportunities. Through a biblical lens, this class will explore God's heart for the nations and how He is at work drawing people to Himself amid challenging circumstances.

How to Interpret the Bible

Sam Troyer | R3

The Bible was written in a specific context, yet it remains God's living Word for us today. This class will introduce key principles of biblical interpretation and help participants grow in confidence as they study and apply Scripture faithfully.

Technology & Your Soul

Hunter Taylor | R5

Technology shapes how we think, relate, and spend our time, often in ways we don't realize. This class will examine what the Bible teaches about the heart, wisdom, and spiritual growth as we seek to use technology in ways that honor God and deepen our walk with Christ.

COMING NEXT WEEK

From Heartbreak to Hope

Arlene Yost | FH

Heartbreak is a reality we all face, but God's Word offers comfort, healing, and lasting hope. This class will explore biblical truths that help us trust God in seasons of pain and discover how He works through suffering to strengthen our faith and draw us closer to Him.

Parenting in a Digital World

Stephanie French | C7

Technology shapes nearly every aspect of our children's lives, bringing both opportunities and challenges. This class will examine biblical principles for guiding children wisely, protecting their hearts, and helping families use technology in ways that honor Christ.

Taking Your Thoughts Captive

Jessica Evans | E1

Our thoughts have a powerful influence on our attitudes, emotions, and actions. Through Scripture, this class will learn how to identify lies, replace them with God's truth, and develop a Christ-centered mind that leads to spiritual growth and freedom.

What Makes a Christian a Christian?

Matt Miller | E2

Many people claim the name Christian, but what does the Bible say truly defines a follower of Christ? This class will explore the gospel, saving faith, repentance, and the evidence of a transformed life according to Scripture.

How to Study the Bible

Hunter Taylor | R3

God has given us His Word to know Him, but many believers are unsure where to begin. This class will provide practical tools for understanding, interpreting, and applying Scripture so you can confidently study the Bible for yourself.

Expectation in Marriage

Dave Luther | R5

Unspoken or unrealistic expectations can create frustration and conflict in marriage. This class will look at God's design for marriage and help couples develop biblical expectations that foster unity, grace, communication, and Christ-centered love.
