Building FOR WHAT'S Next

PRAYERFULLY COMING SOON

For the safety and security of our children, we are looking to take down some walls, add some doors, and create a kids area that is secure and able to be locked down. We would also like to make the west classrooms more easily accessible from the sanctuary side of the building.

- TAKE DOWN SOME WALLS
- ADD SOME DOORS
- CREATE A SECURE KIDS AREA
- MAKE WEST CLASSROOMS MORE EASILY ACCESSIBLE FROM THE SANCTUARY SIDE

Same Mission. Even Safer.

JOIN US IN PRAYER AS WE EXPLORE WHAT'S NEXT!

BCC Kids PARENT RESOURCES

Tools to help guide your kids through biblical truths.

Do you want to teach your child rich theology but have no idea where to start?

We're here to help! **Theology for Me** is a 4 week kids study designed to help kids understand big theological truths in a kid-friendly way! Modeled after key tenants of systematic theology.

This study will:

- Help your child comprehend big theological concepts like the Trinity, repentance, sanctification, redemption, and so much more!
- Ignite your child's curiosity and love of learning with creative activities and weekly memory verses.
- Deepen your child's understanding of systematic theology with intentional discussion questions about each topic covered.

The study covers twenty important topics within systematic theology. In addition to daily content, each week your child will enjoy a fun activity that will help them better learn and apply gospel-centered truths to their daily lives. Help your kids become life-long students of God's Word through this resource! This would make a great addition to your children's daily devotional rhythms or to your collection of homeschooling resources!

Cost $5 per book.

Pick up yours at the kid's checkin desk today!
