"Well, no," answered the puzzled homeowner. "But I have a wife and eleven children." "Is that a record?" she inquired. "I don't think so," replied the man, "but it's as close as I want to get."

Wednesday Evening Bible Studies

The Tabernacle 6:00 P.M. Tabernacle Episodes 4-6. All are welcome to come! Through these 6 sessions, you will: Discover how the priests' activities in the tabernacle foreshadowed the coming Messiah. Understand the New Testament better when you learn what sacrifice, holiness, and worship meant in the Old Testament. Find new gratitude for Christ's sacrifice on the cross. Recognize that at the heart of the tabernacle is God's love, making a way for sinful people to have a relationship with a holy God.

Wednesday Morning Bible Study

Believing Jesus – A Journey through the Book of ACTS by Lisa Harper and Annie F. Downs. In this eight-session video-based Bible study, Lisa Harper traces the revolutionary steps of the early Christians and shows how the first believers were willing to risk everything to follow Christ. Today, we are faced with the same decisions the early church faced. Will we, like them, truly believe the words of Jesus and allow them to transform every part of our lives? Come study with us Wednesday, January 9, 2019, in the Conference Room at 9 a.m. For more details, contact Opal Currie 28.623.1666.

Men's Bible Study

Tuesday's Morning 7:30 - 8:30 A.M. (Menagerie on Market Street)

The Friendship Sunday School Class meets in the conference room by 9:45. New members, old members and visitors are welcomed each Sunday. For the new year the Friendship Sunday School Class will begin the study, Revelation, A Video Study, featuring Craig S. Keener. The study explores the links between the Bible's final book and how we should live our lives today. The 22 lessons show how Revelation strengthens our hope in the future while enabling us to live out our Christian faith wisely in the present. If you should wonder about Revelation's vision of apocalyptic horsemen, horn with faces, flying angels and fantastic beasts, you are welcome to join us in the study of these challenging lessons.
