

Benefits of short term missions:

You will grow and be refreshed. You will see and experience Christian faith lived out in a new and unfamiliar setting. You will develop a greater attitude of service. The trip provides a unique opportunity and experience for US volunteers to serve on the mission field in the Dominican Republic. You will see and participate in an on-going work, in close partnership with local partners, that has transformed the lives of poor Haitians in the Dominican Republic. There are opportunities for a wide range of ages and skills.
