

S.O.A.P. Scripture Study

Colossians 2:13-15

S – Scripture || *Physically write out Colossians 2:13-15*

O – Observation || *Write down observations you notice, such as images or repetitive words. Who was the writer and intended reader(s)? Summarize the verses in your own words and write down any questions you have about the passage?*

A – Application || *A closer look at salvation...*

- ❖ Salvation is God's divine action of rescuing his people-
 - What are two or three biblical stories showing God rescuing his people from hardships, danger, or death?

 - Looking at one of the stories above, why did God decide to take action?

 - How did the people respond to God's work of saving them and did it change their relationship with Him?

- ❖ What personal story can you share of God rescuing you? Did it change your relationship with Him or others?

P – Prayer || *Pray for the Holy Spirit's wisdom and power to transform you and use what you've learned today to become a better disciple of Jesus.*
