

STUDENT WORSHIP LEADER DISCIPLESHIP

MISSION

To disciple and train student believers to lead worship in a healthy and sustaining way that draws attention to and rightly responds to what God has revealed in His Word about Himself and His redemptive work.

STRATEGY

1. **7th Grade** – **Identify** those who exhibit spiritual maturity and musical giftings.
2. **8th Grade** – Begin **discipleship** with those who exhibit spiritual maturity and musical giftings.
3. **9th & 10th Grades** – Begin to gradually **involve** those who are being disciplined into worship leadership and continue musical training.
4. **11th & 12th Grades** – Transition students from participants to primary **leadership**.

These grade divisions serve only as ideals, not as strict adherence. It's not unusual for us to have a combination of grades at each of the 4 stages above.

VISION

Our goal is to have students in each of the 4 stages of the strategy at all times in order to have healthy and sustaining worship leadership. When a student graduates, we expect him or her to continue serving the local church through worship leadership, and when he or she does, there will be another student ready to step in.
