

ENJOY OUR UPDATE LETTERS FROM DAPHNE IN HAITI!

2020

Dear First Free Methodist Church,

I greet you in God's name. I am very well. I am glad to tell you that am back to school now because the Covid-19 is not very dangerous here. But, we drink bitter tea, we put on masks and we wash our hands very often. We are in the new school year of 2019-2020.

Thank you for your support,

Daphne

Dear First Free Methodist Church,

How are you and your family? I am well thanks to Jesus. The school has been started, but it was closed a few days later due to the political unrest. Then, the streets were obstructed with tires and there were gunshots. But, I was back to school a few months later.

Thank you for your support,

Daphne
