Jesus, You are our Shepherd, and we ask You to pour Your love into our hearts and create space for a new pastor. Fan the flames of this love for our new pastor before they arrive, so the church is a safe and welcoming home for them. Give us ears to hear Your voice during this transition, knowing that You are always walking beside us.

... And I will give you shepherds after my own heart, who will guide you with knowledge and understanding...

Jeremiah 3:15
