S U P P O R T

Father, help me be a source of joy to our new pastor, not a burden. As our new pastor arrives, show me ways I can support them in their transition.

Give me ears to hear your voice through them. Kindle a fresh vision within me before they arrive of how First Church can best reach our community for You.

Have confidence in your leaders and submit to their authority, because they keep watch over you as those who must give an account. Do this so that their work will be a joy, not a burden, for that would be of no benefit to you.
