

He is Called
Part 2 – Christ
December 10, 2017

ICEBREAKER: If you are looking at a typical manger scene, who do you relate the most to and why? (ie- shepherds, wise men, Mary, Joseph, the cows, the pigs, the angels, etc)

MAIN POINT:

**If Jesus is Your Anointed King
Will You Give Him Everything?**

EXPLORATION:

1. There are over 948 names and Titles for God in the Bible. Look up “948 Names and Titles for God” at Christiananswers.net. What are some of your favorite names for God and why? (Context Clues- This is a repeat from last week, but there are plenty of Names to share and celebrate.)
2. Read Luke 2:8-14. How do you think these shepherds felt? What is the significance of the angel saying “Christ the Lord”? What was the sign given to confirm that this baby was so special? (Context Clues- Christ is Χριστός- one who has been anointed, Lord is Κύριος- one who exercises supernatural authority over mankind)
3. Read Luke 2:22-26. What is the significance of this man named Simeon? Why is the title “the Lord’s Christ” important in verse 26?
4. Read Matthew 2:1-6. The wise men say they are looking for a king. But King Herod wants to know where the Christ is to be born. What is the significance of this connection? (Context Clues- In this study we have seen that Jesus is a king, the Lord, and the Christ –the anointed one. This means He uniquely has supreme authority over everything.)

APPLICATION:

1. In light of the Matthew and Luke passages what do you think about the main point of this lesson:

**If Jesus Is Your Anointed King
Will You Give Him Everything? And
If Jesus Has All Authority
You Can Trust Him With Everything**

2. **Brainstorm areas as a group that may be difficult to surrender to Christ.**

3. **Break the groups up into separate groups. Men with men. Women with women. Take prayer request and pray for the members of the group. Have group members share areas of their life that they wrestle to give to the Lord.**
