

One Thing Part 3 | Greatest Weapon | February 18, 2018

**MAIN POINT:**

**The Greatness of Worship is  
Our Greatest Weapon**

**ICEBREAKER:** If you knew you were going to war and you could only take one weapon what would it be? Why?

**EXPLORATION:**

1. Read II Chronicles 20:1-30. What are your initial observations about this story?
2. Read II Chronicles 20:1-2. Can you relate to having enemies press in on you? What spiritual enemies seem to present themselves in your life the most?
3. Read II Chronicles 20: 3-12. What was Jehoshaphat's response to the enemy? Describe how Jehoshaphat felt both fear and courage. How did those two elements drive him to pray? Have each group member tell of a time when that happened in their lives?
4. Read II Chronicles 20: 13-17. How did the prophet Jahaziel encourage the people? How did he say that they should do battle? How do you see the difference between striving to fix things yourself and trusting the Lord to fight for you in your life?

**APPLICATION:**

1. Read II Chronicles 20: 18-24. How was worship and praise the tool that was used to defeat the enemies of Judah in this passage? How has or how can that principle work practically for us in our lives today?
2. How do these responses reinforce the Main Point of this study:

**The Greatness of Worship is  
Our Greatest Weapon**

3. Possibly pick a worship song to play and worship God's greatness and power over the battle.
4. Have a time of prayer. In this prayer time make sure to take the time to worship and praise the Lord for He is worthy!! Also pray especially for any group members who are particularly in a battle right now.
