- **RPCC will cover 100% of the cost of *leadership material, whether a book or a DVD* for RPCC small groups.**
- **The leadership material purchased by the church *will remain in the church office when unused or not checked out* so that leadership materials are available for other groups to use.**
- **Participants purchase individual member books/guides. Check the Leader Resources page at *riverpointchurch.com/small-groups* for help finding Bible study material or contact Wesley to find the most cost-effective place to purchase member books/guides. RPCC will, however, pay 100% of the cost of a member book/guide if the cost is a burden for a group member. This will be handled on a case by case basis.**
- **Copies of printed or downloaded material can be made in the church office.**
