

The Table
The Divide
November 12, 2017

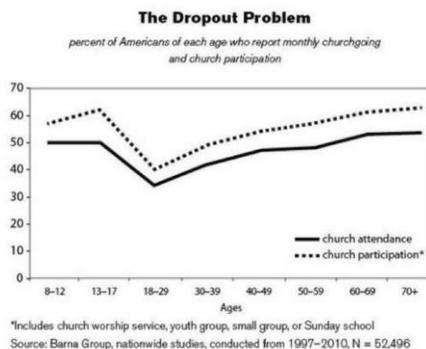

ICEBREAKER: Discuss how the adult table and the children's table works at your family Thanksgiving meal

MAIN POINT:

**In the Kingdom of God there is One Savior
In the Kingdom of God there is One Table**

EXPLORATION:

1. Look at the chart below. Why do you think there is such a fall of between the ages of 18-29 in church life?

2. Read I Timothy 5:1-2. What does this passage teach in regards to how the generations should treat each other within the church?
3. Read the following statements. Do you agree or disagree? Why?
 - We are calling the next generation to a religion, what they need is relationships
 - We are drawing the next generation to a building what they need is a body
 - We are asking the next generation to become members and what they need is a movement
 - We are inviting the next generation to church and what they need is Christ
 - It is high time we close the generation gap in the church by returning to the original message, Jesus did not call us to make church attenders He called us to make followers of Christ
4. Read I Timothy 5:1-2 again. How could you apply this passage in your own life, family, small group, and church life? What needs to change for this to happen?

APPLICATION:

1. Have everyone name a person younger than them that they could invest in. If they mention a family member applaud that, but then have them name another.
2. Have everyone name a person older than them that they could learn from. If they mention a family member applaud that, but then have them name another.
3. How does this study relate to the Main Point of this lesson :

In the Kingdom of God there is One Savior,
In the Kingdom of God there is One Table

4. Take prayer request and pray for the members of the group. Pray that RPCC will be more of a one table kind of church!!
