Invest In Hope...

At camp, your child will uncover God's peace, inspiring them to live daily through grace, hope, and love.

Make the world a better place by helping to send a child to camp this summer.

Here at Trinity, we want to help the future in any way possible. With that principle in mind, we give yearly scholarships to students who are going off to college or those who are currently in college. Please check out our website under “Trinity Kids” to find more information on the scholarships offered

Dear Trinity Family,

I want to thank you all for your love and support these last four years. As much as I would love to continue serving and serving alongside all of you, God has called me to a new form of ministry. Actually, God is recalling me to a form of ministry that I left behind fifteen years ago.

As most of you know, prior to attending seminary, I spent three years teaching in the Evansville Vanderburgh School Corporation. I was 22 when I started, and 25 when I moved on. I remember searching for God's plan for my life, and that led me to seminary and on into pastoral ministry. Over the last twelve years, I have learned so much in each church I have served—especially at Trinity. I believe that the lessons and experiences of the last twelve years have shaped me for the better. I believe that in addition to the difference I have had the privilege to make in the lives of others, God has also been preparing me for my return to the classroom. I now return to education with a deeper and more mature understanding of people, of children, and of the realities of our wider world.

I know that I leave you all in good hands when I hand over the reigns on March 15. District Superintendent Russ Abel has found an experienced interim, and I am confident that Pastor Tim will provide excellent leadership of Trinity in the years to come.

May God bless you all, may God bless Trinity Church, and may God bless Kendallville, Noble County, and beyond.

Jesus First

We respect that all people are on their own spiritual journeys and that people of faith will not agree on everything. However, we are committed to grounding our teachings in Jesus—his example, his character, and his wisdom. We invite all people to explore how those teachings might shape and inform their own spiritual journeys and beliefs.
