

THE APPLE PRESS

My dear brothers and sisters in Christ,

For the last several months, I have been teaching a class on Evangelism for Summit Christian College. The main purpose of me pursuing my Doctor of Ministry degree was to prepare myself to teach the next generation of ministers and Christian workers. It has been such an amazing experience, and I love my students.

Recently, the teaching staff at the school had a meeting to discuss the challenges of these artificial intelligence programs that can write your papers for you, even using quotes from various printed materials. These programs are incredibly complex and can produce very convincing results. It can be very tempting to use these resources and not rely on personal study or writing. This got me thinking of how easy it is to rely on technology and others in many areas of our lives.

I have noticed too many Christians have relied on other people studying God's Word for them, and not doing the work for themselves. Studying the Bible is an essential part of the Christian faith. It provides guidance, instruction, and wisdom that can help us mature in our relationship with Christ. While listening to what others have gained through Biblical study can be helpful and rewarding, it cannot replace the value and importance of studying the Bible personally.

In 2 Timothy 3:16, the Apostle Paul wrote, "All scripture is inspired by God and is useful for teaching, rebuking, correcting, and training in righteousness." Without God's Holy Word, we cannot hope to live the righteous life that God calls us to. God's word has the power to change us into the person God desires us to be. As the writer of Hebrews states in Hebrews 4:12, "For the word of God is living and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints, and marrow; it judges the thoughts and attitudes of the heart." The Bible is not a static book, it is a living and active book that can penetrate and transform a person's heart and mind.

Studying the Bible requires a level of engagement and understanding that cannot be achieved by relying solely on the work of others. James 1:25 states, "But whoever looks intently into the perfect law that gives freedom, and continues in it—not forgetting what they have heard but doing it—they will be blessed in what they do." This verse emphasizes the importance of not just reading the Bible but engaging with it and applying it to one's life. This requires a level of critical thinking, reflection, and discernment that relying solely on the work of others cannot replicate.

Studying the Bible is essential for personal growth and spiritual development. It allows us to deepen our relationship with God and to develop a greater understanding of His character and will. This is not something that can be achieved through just listening to others. While technology can provide information, it cannot replicate the transformative power of studying the Bible.

I am very excited about the work Alan is doing to develop our Discipleship Institute here at Appleton Christian. We want to give everyone opportunities to personally engage in studying the Bible and applying what we learn in our lives. Please consider signing up and joining us in studying God's Word together.

I love you all, Dan

2 Timothy: Grace and Perseverance

Dates & Times:

Starting June 5th - Ending July 17th Mondays from 10:00am - 11:30am

Overview:

Paul's second letter to his beloved Timothy is a bold call to stand firm in the face of opposition and suffering for the sake of the Gospel.

Who Should Attend:

This class is open to everyone.

Expectations/Workload:

This 7-week study will include an introduction to the Inductive Study Method followed by 6 weeks of study. Participants will expect 30 minutes of personal study a day, one hour of group discussion and a 60-minute video lecture each week.

Becoming a Biblical Leader

Dates and Times:

Starting July 12, 2023 – Ending Sept 20, 2023 Wednesdays from 6:00pm-7:30pm

Overview:

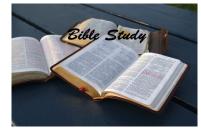

Church leadership matters. Leaders in the church have a significant impact on the health and maturity of the congregation. This is why the New Testament provides such clear teaching regarding appointing leadership in the church, and why it spends a significant amount of time providing instruction to church leaders. Biblical church leadership looks very different than the leadership of the world and so it must be intentionally cultivated through the study and application of God's word. This class will provide a general overview of the understanding, knowledge, and character necessary for biblical leadership.

Who Should Attend:

Every Christian should desire to grow in character and knowledge of God's word. Therefore, this course is open to the first 10 people who sign up. The hope is that this class will give anyone who goes through it the tools and knowledge to lead in the church.

Expectations/Workload:

This class will work through a workbook together each week. In class we will discuss biblical principles of church leadership and major church doctrines. Outside class there will be Bible reading, other short readings, and questions concerning the characteristics of a leader. All of this will be discussed at the beginning of our class each week.

Building Improvements

At the annual meeting in January, we discussed the need for improvements to the lower building now that most of our activities are centered there. We also discussed how all improvements must service our mission to grow fully devoted followers of Jesus Christ. Comments and volunteers were requested and for the last couple of months the project teams have been busy meeting to develop work plans and budgets based on your comments and the following objectives:

Area:	Objective:
Worship Center and Fellow- ship Hall	Remodel to improve acoustics, lighting, and appearance in order to enhance the worship experience
Bathrooms	Update to accommodate increased use of building and enhance maintenance and cleanability
Meeting and Classrooms	Remodel to accommodate growing Sunday school, nursery, and worship attendance requirements and to develop a more effective use of available space
Lobby and Hallways	Remodel to accommodate growing worship attendance requirements, incorporating a welcome center, missions presentation area and to provide a welcoming atmosphere
Kitchen	Upgrade to accommodate growing Meal Prep Ministry as well as ACC fellowship and other group & individual events
Exterior Storage	Reorganize and upgrade storage facilities on north side of building providing sufficient space for storage of tables and chairs from the Worship Center and Fellowship Hall to accommodate various events and other identified storage requirements

There are a few constraints to the planning process, such as no expansion of the building footprint, or major structural, plumbing, or electrical modification. We can't guarantee that all your ideas will be used, but we can guarantee they will be thoughtfully considered.

The idea is to bring together all the plans and proposed budgets for consideration by the Elders in June and then to the congregation as appropriate. I can't say exactly when that will be yet, but it's in the not-too-distant future.

Yours in Christ, Tom Fudge, ACC Elder

Many, many thanks to all of you who showed up to work on the blankets for India! With all those hands working, we completed 20 (45" x 50") blankets, plus some smaller ones.

A total of 28 or so!! We even had 3 sweet ladies (Marlene, Tara, & Linda) who do not belong to our church, come to help. They'd been to the event on Thursday night at our church, read the Applet (thanks Jeanne!) and decided to come lend a hand.

God is AMAZING!!!

My thanks to: Komiko, Joyce Trump, Joyce Labig, Jean Griffin, Jeanne Baker, Barb Robinson, Elizabeth Kovarovic (and Nathan), Donna Jean Ganss, Aiyana Tipony, Chris Beeman and her sister, Kelly and Kathy Messamer, Helen Caldwell, and Yvette Caldwell. If Saul decides that he'd like more blankets to carry, we might do another 'blanketing' in June! NO WORK THIS SATURDAY
