ANNUAL 1 REPORT

ROLLING HILLS CHRISTIAN CHURCH

ROLLING HILLS CHRISTIAN CHURCH

At Rolling Hills Church, we want to see people come to know Christ and make a difference for Him with their lives. We believe that knowing Jesus and having a personal relationship with Him is the greatest of all ambitions, and the mission of our church is driven by a desire for ALL PEOPLE to experience His grace, truth, and goodness! This annual report is a brief overview of how we accomplished this mission as a church in 2017. However, I believe this is only the beginning of what God is going to do in and through us as He continues to build His church!

Rolling Hills is fueled by the prayers and generosity of God's people. God's pattern is not only to raise up people with a message and a vision, but also to raise partners in prayer and finances. When you give and pray, you can have the confidence of knowing that lives are being impacted for eternity through the ministries that are freely offered through our church. As we head into this new season together, I invite you to continue the legacy of Rolling Hills by giving generously to the future of our church.

The mission is hard. The stakes are high. Let us press on with our eyes on Jesus, believing that the best days of our church are yet to come!
