

## MERIDIAN CHURCH

### Systematic Theology II Syllabus

Spring Semester, 2023

January 15th–April 9th

Sunday 6–7 PM

Teacher: Josh King

#### Course Description

This course is a study of systematic theology. Systematic theology “seeks to apply Scripture by asking what the *whole* Bible teaches about any given subject.”<sup>1</sup> In Systematic Theology II we will continue our study of the doctrine of God (theology proper) and move onto a study of the doctrine of man (anthropology).

#### Course Objectives

It is the aim of this course that God be glorified in the student by:

1. Their having a solid understanding of the various doctrines of the Word of God.
2. Their learning to read the Bible through the grid of a Scriptural systematic theology.
3. Their developing a theological mind to serve them in all of life.

#### Course Texts

Beginner: *Systematic Theology* by Wayne Grudem

Intermediate: *Systematic Theology* by Louis Berkhof

Advanced: *Systematic Theology* by Robert Letham
