

FAITH LUTHERAN
Church - School - Preschool
TACOMA, WASHINGTON

Dear supporter of children in the greater Tacoma area,

I am reaching out to let you know about an opportunity to **support your community** and **advertise your business** on March 30, 2019, at our annual school auction. Faith is a non-profit PreK-8th grade school that strives to bring high-quality/low-cost education to students in a loving and safe environment. Our school serves the immediate communities of Tacoma, Lakewood, Spanaway, and Puyallup.

Faith Lutheran School utilizes funds raised through our annual auction, to enrich the academic experience of our students. Past auctions have made possible large, one-time expenses that are difficult for us to handle within our yearly budget (i.e. new playground, renovated bathrooms, etc.). Faith has been successfully partnering with parents to provide an excellent co-curricular education for nearly 60 years.

This year's auction will be a mixture of live and silent auctions. You can help by donating a live auction item, a basket for the silent auction, a gift certificate, or a cash donation. I truly appreciate your support! In an effort to provide a safer environment for the students, the funds raised this year will be used to upgrade our classrooms with vinyl plank flooring. This upgraded flooring will allow for easier cleaning and a healthier environment for the kids.

Will you partner with us at Faith Lutheran School to grow the next generation of productive citizens for our community? In return for your donation, we would like to offer you the following:

- Recognition in the auction's catalog/signage and Faith's Facebook page.
- A tax deduction receipt (to the extent allowed by law as we are a non-profit 501(c)(3), Fed Tax ID# 91-6061912)

You may mail any certificates or items with the attached donation form to:

Sincerely,
