

## **Ways Parents Can Volunteer to Help in the Classroom**

1. Organize Studies Weekly Newspapers into stacks by week (Before School in August)
2. Science Lab Supplies (I will put out a list of materials needed for each week with a sign up sheet for parents to bring materials from home)
3. Field Trip Chaperones/Drivers (Email me if interested at least one week prior to field trip)
4. Swim Lesson Transportation Drivers (Email me if able to help; Dates TBD)
