SCHOLASTIC INFORMATION

Christian Bible Church Academy is not structured or staffed to meet the academic needs of students who have serious learning disabilities. This is especially so in the case of serious reading disabilities. Since much of the curriculum is self-instructional, the progress of a student is very much contingent on reading ability. Since Christian Bible Church Academy does not have sufficient staff to give the large amount of personal time needed to those who have such disabilities, we are not able to accept such students. Our counsel is to home school such a student or enroll them in a Christian school which can give the specialized help that is needed.
