COMMUNITY RESOURCES

Please phone each Income-Based Medical Services facility prior to visiting for specific instructions, documentation needed and additional locations. While medical care is not free at the facilities listed below,* there is financial assistance for those who qualify. In addition to accepting Medicaid, Medicare and Private Health Insurance Plans, the medical facilities below serve individuals that are not covered by health insurance. Patients are charged for services on a sliding fee scale based on the patient's family size and their income. *Denotes medical clinics free to homeless populations.

Please Note: Below is a limited list of medical facility locations; a complete list and hours of operation are found on each website.
