

LAND ACKNOWLEDGEMENT

We acknowledge with gratitude the yak tityu tityu yak tilhini (ytt) / the Northern Chumash People, and the Salinan Tribe / the T'epot'aha'l, "People of the Oaks," on whose ancestral homelands we gather, and whose vibrant culture continues today.

May we always remember that the Earth does not belong to us, that we belong to the Earth, and that we are all relatives in life. Help us to be instruments of justice and peace for all people in today's world.

The mission of the Trinity Educational Community Garden is to enhance the quality of urban life and to strengthen cross cultural community bonds by creating and sustaining a garden that will promote sharing of healthy food, provide education to utilize the use of organic food, environmental stewardship, and recreation.
