to July 18th, 2019 5pm to 7pm

Our theme this year is Won't you be my neighbor? We will be exploring these questions: Who are our neighbors? Should we love people who are different from us? Can we love even when it's hard?

In the story of the Good Samaritan, Jesus reveals that those we think are our friends sometimes fail us, but those we think are our enemies can help us when we most need it.

Jesus was often criticized for helping people that everyone else thought were untouchable: lepers, sinners, and those who didn't belong to their same religion. And he was criticized for helping people even though the laws said he shouldn't.

Jesus teaches that we should love our neighbors and our enemies, and that those who are struggling most are those that are most deserving of our love.

Join us for our family Vacation Bible School to learn more about the importance of showing love to everyone everywhere!

Families with children in preschool through middle school to are invited to participate in this casual, multi-generational program.

Our four evening sessions will include games, music, inspiring lessons, and creative activities. We will also prepare and share a meal each night.

High school students are invited to volunteer.

This is a free program.
