

Week 8 - Baptism... Get Out of the Boat

LET'S JUMP IN...

Has God been calling you to be a more active Christian, rather than to simply be on the sidelines as a member of the team? What makes this a risky venture for some? If you are on the field, how did you overcome any anxiety about becoming more involved?

SCRIPTURE: *Romans 13: 11-14*

Notes:

DISCUSSION QUESTIONS

- ③ *Do you ever think that your spiritual life is in a slumber? Must you constantly “cast off the works of darkness?”*
- ③ *How often do you sense that we (Christians) are involved in a daily battle? How do you prepare for this battle?*
- ③ *At the end of the scripture, Paul admonishes the people to “clothe yourselves with the Lord Jesus Christ.” How do you interpret this statement? Is it difficult for you to wear Jesus on the outside?*
