

Women's Ministry

Women meet monthly to encourage one another, and periodically they conduct special events in order to bless our church and surrounding community.

Men's Ministry

Men meet for breakfast every month, as well as for special events to serve and bless people in need.

Marriage Ministry

This ministry addresses 1 of 2 critical areas of life where people are constantly under attack. Special events are coordinated periodically to invest in marriages.

Small Groups

There are many groups, of differing demographics, that meet at varying times and locations. These groups are critical in keeping people from getting "lost in the crowd."

Support Ministries

If you prefer to stay "behind the scenes" when you serve, you may like one of these. They may not seem as attractive, but these ministries are every bit as important to the operation of our church. If you'd like to serve in this area, contact the team leader Bud Stanton at bud@newhope.rocks

Meals Ministry

In the days/weeks following a surgery or childbirth, these wonderful people deliver a fresh meal in order to bless the family during their time of recovery. And upon request they can sometimes provide a meal for special events and funerals.

Cleaning Team

This facility, including the daily childcare areas, is kept looking great by an amazing team of volunteers who come in on their own time to clean a particular area.

Maintenance Team

The monthly (and sometimes weekly) upkeep of this facility is maintained by a team of volunteers on the 4th Saturday, as well as "when needed," so that we have an outstanding space for our community, even beyond Sunday worship.

Special Projects

There are always special events and relevant updates happening (besides regular maintenance). People from this team show up to "make it happen".

Financial Peace University

This ministry addresses the 2nd critical area of life where people are always under attack. Once every year or so, this team schedules an FPU class to help people learn to manage their money God's way.

Missions

Our missions team has been taking regular trips to Ukraine now for years, and we're currently in the process of developing a disaster relief component to this ministry.

EVERY PIECE FITS

"I know the plans
I have for you."

Jeremiah 29:11

Are you ready to use your gifts
and skills to become a piece
of the New Hope puzzle?

Three times each year, we offer
a class called SHAPE that helps
you figure out how God has best
designed you to serve. Ask
about it at the HUB!

The following is a list of the ministries that make New Hope Community Church what it is. This place and what we do here would not be possible without the investment of people like you!

First Impressions

These ministries are the 'first look' that people have of New Hope. A first impression often determines if someone will ever come back again. If you'd like to serve in this area, contact the team leader Amy Banbury at banbury@newhope.rocks

Greeting Team

The greeters put on a smile and reach out a hand to welcome people as they enter the building and the auditorium.

Gathering Grounds Cafe

The cafe provides light refreshments, as well as free coffee and tea, helping to make for a more comfortable experience.

HUB

This is where people go for information, for help getting connected, or to sign up for various events and activities.

Safety & Security

The Guards are another set of greeters who also help to ensure a safe environment. They keep the appropriate doors locked and are available in the unfortunate case of an emergency.

Next Steps Bookstore

This ministry provides resources for encouraging and equipping people in their spiritual journey.

Community Team

This team facilitates activities, both inside & outside the walls of the building, that serve and support the surrounding community.

Office Reception

Volunteers serve in 2-hr shifts during the week to provide a friendly voice answering the phone or a smiling face to those who enter the office.

Worship & Production

We are known for our unique Sunday morning Gathering. Not only for the style of music and the use of attractive media, but the creative production of it all is what sets us apart. If you'd like to serve in this area, contact the team leader Roy Templeman at roy@newhope.rocks

Worship Team

These volunteers use a variety of musical abilities and styles to help facilitate our connection with the Holy Spirit in worship.

Media

This team is responsible for finding or creating the graphics and videos used in worship, as well as for weekly promotions.

Production

These volunteers use the various pieces of tech equipment to ensure the Gathering is facilitated the way it was planned.

Creative Team

These are the volunteers responsible for the stage design, providing a unique visual connection to the series content.

Family Ministries

These ministries promote positive relational connections. Our children and our relationships are critical to the health of the Church. If you'd like to serve in this area, contact the team leader Shelley Sulser at shelley@newhope.rocks

Hopeland

Here is where the youngest kids are cared for while their parents enjoy the Gathering.

Xtreme Kidz

This ministry exists for kids in Kindergarten up to 5th Grade, where a focused and fun curriculum helps them learn about Jesus.

EVO

Our weekly youth group experience provides a positive influence for our students through the interaction with their peers, as well as caring adult leaders.

Green Room

Some kids must be here for both Gatherings because their parents are serving. This ministry provides an enjoyable space for them to hang out in for the 2nd go 'round.

The human body has many parts that make up the one whole body. So it is with the body of Christ. All of you together are Christ's body, and each of you is a part of it.

-1 Cor. 12: 12 & 27
