SCRIPTURE: Ephesians 4: 25-32

Notes:

DISCUSSION QUESTIONS

- Ⓜ In what ways do you find the scripture reading convicting? How difficult is it to follow Paul's instructions, and how would they affect our relationships if we were all better at implementing them?
- Ⓜ How poisonous is lying to any relationship? How can we be angry with people, but not sin?
- Ⓜ In our close relationships, like marriage, how could the implementation of verses 31-32 create a new and exciting relationship? While this passage looks like a wonderful blueprint to follow, why do so many of us fail at it?
