DISCUSSION QUESTIONS

- ④ In any kind of fight, how important is submitting to leadership? If we are resisting Satan and fighting for the truth, why are we to be “clothed with humility?”
- ④ Why is pride such a stumbling block to so many people? How do you remind yourself that Satan is on the prowl and wants to devour you?
- ④ What difference does it make knowing we fight against spiritual forces and not flesh & blood? In your life, how have you contended/fought for your faith?
