

LET'S JUMP IN...

What are some ungodly things in our culture that Christians should fight against? How do we choose the appropriate battles to fight?

SCRIPTURE:

2 Timothy 4: 3-5

2 Peter 2: 10-14, 17-19

Notes:

DISCUSSION QUESTIONS

- ④ Can you name some false teachings or teachers that are leading people astray? Jesus gave numerous warnings that false prophets would spring up after He ascended. If we were warned, why aren't we better prepared to stand against these forces?
- ④ Why do you suppose Peter speaks so harshly about these people? Could you be judged guilty of any of the infractions Peter mentions?
- ④ As you have grown in your spiritual life, talk about the difficulty of identifying false teachers/teachings?
