

LET'S JUMP IN...

Can you share any stories from your life when you didn't get something you earned or deserved? Now that time has passed, do you see the circumstances any differently, or do you still feel you were treated unfairly?

SCRIPTURE:

Luke 22:42

Notes:

DISCUSSION QUESTIONS

- Ⓜ How much of our struggle with entitlement comes from placing our thoughts, ways, and preferences, above God's?
- Ⓜ What kinds of practices help us better understand God's preferences? How can we successfully manage the tension that exists between God's wants and what we would prefer?
- Ⓜ If Jesus, being fully God, can say, "not my will, but yours be done" when what he wants conflicts with what God the Father desires, what does that mean for us?
