TO SERVING

SAY YES TO SERVING

Here at MBC we believe that once you have placed your faith and trust in Jesus, the Spirit comes and dwells in you and wants to use you to make Kingdom impact. In this journey, serving is a great first step! Serving provides a place for you to meet great people, discover your place to belong, and help you grow in your relationship with Jesus. As you serve, Jesus displays His life in you and through you. From our greeting team, to kids' and student ministry, to community groups, to worship and tech, you're sure to find a place that fits God's design for you.

God has, and continues to, reveal many things to those who step in and say "yes" to serving. If we do our part by saying yes, the Holy Spirit will do the rest. It doesn't matter how we feel when we start — he will fill in the gaps. We would challenge anyone considering serving, to pray about whether it's time to step forward and about where to serve. Then sign up for one job, one service. Take the first step. Try it. If you enjoy it, try it again sometime. If not, try a different task before you conclude it's not for you. Don't jump in and over-commit — that's not good for you or for the church.

We love you dearly and our hearts are for you. Don't miss out on being a part of God's bigger story that He has going on here at MBC. God loves you and wants to use you for Kingdom impact here at MBC and around the world. So, would you prayerfully consider partnering with us and saying "YES" to serving?

MBC KIDS

Jenny Childress, Children's Pastor

MBC Early Childhood Ministry exists to help children develop a foundation of who God is.

[Nursery/Toddler Volunteer](#)

We are always adding volunteers to serve with our littlest MBC Kids. If you have a heart for serving new parents as they drop off their babies-crawlers, we would love to have you serve on our nursery team. Right now we have available time slots for the 10:45am hour on Sunday mornings.

[Preschool 3-5 Year Olds](#)

There is so much to say about MBC Kids Preschoolers! They are full of energy, soaking up everything around them, curious, say funny things, and begin to grasp who God is! This age enjoys a more structured time with a Bible story, craft, snack, song, and monthly theme/verse. During this time we have available time slots for the 10:45am hour on Sunday mornings and you can serve on a monthly rotation or quarterly at your convenience. All curriculum is prepared in advance and ready to be taught. The three primary things we want MBC early childhood kids to know are: God made me, God loves me, Jesus wants to be my friend forever.

[Kindergarten-1st Life Group Leaders](#)

In Elementary Ministry, we hope to guide each child into a personal relationship with Jesus Christ. Through this relationship with Jesus, we want to help kids understand that with Jesus, I can: make wise choices, love others as I love myself, and trust Jesus, no matter what. When Life Groups resume we have available time slots for the 9:30am time. All curriculum is prepared in advance and ready to be taught with a monthly theme, weekly Bible verse, craft, and fun!

2nd-3rd Grade Life Group Leaders

In Elementary Ministry, we hope to guide each child into a personal relationship with Jesus Christ. Through this relationship with Jesus, we want to help kids understand that with Jesus, I can: make wise choices, love others as I love myself, and trust Jesus, no matter what. When Life Groups open back up we have available time slots for the 9:30am time. All curriculum is prepared in advance and ready to be taught with a monthly theme, weekly Bible verse, craft, and fun!

4th-5th PreTeen Life Group Leaders

In Elementary Ministry, we hope to guide each child into a personal relationship with Jesus Christ. Through this relationship with Jesus, we want to help kids understand that with Jesus, I can: make wise choices, love others as I love myself, and trust Jesus, no matter what. When Life Groups resume we have available time slots for the 9:30am time. All curriculum is prepared in advance and ready to be taught with a monthly theme, weekly Bible verse, craft, and fun!

Kindergarten-5th Grade Children's Church Volunteer

Children's Church is a high energy, fun filled Worship hour consisting of interactive worship, engaging Bible stories, Bible centered teaching, and games! Our Kindergarten-5th grade Children's Church team is currently adding fun and engaging people to it! We have available time slots on Sunday mornings at 10:45am and you can serve as a leader or assistant 1 time per month. All curriculum is prepared in advance and ready to be taught with a monthly theme, weekly Bible verse, craft, and fun!

[MBC Kids Greeting Team](#)

Each Sunday morning, we create a safe and fun environment for kids of all ages to actively engage in God's truths. We are seeking friendly volunteers to greet at the kids wing hallway and make sure children find the right classroom and families feel welcome as they enter MBC. Time commitment is from 10:30am-10:50am Sunday Mornings.

[AWANA \(Wednesday Nights\)](#)

We are hoping that AWANA will be able to start up again sometime in the spring semester of 2021! Awana is Wednesday evenings from 6:30pm-7:45pm. This program creates an exciting, fun, and energetic environment where kids ages 2-5th grade can grow to know, love, and serve Christ in a midweek setting. We are seeking energetic volunteers to help in many ways. We have available opportunities to serve as security, listeners, group leaders, nursery volunteers, games coordinators, and greeters. We would love to have you serve with us on Wednesday nights!

[MBC Kids Mid-Week Curriculum Prep](#)

Want to serve in Kids Ministry but would prefer to be behind the scenes? Our curriculum prep team works at their own time during the week to gather supplies for crafts, make copies for Bible lessons, and pull toys for activities that our kids will use Sunday mornings in their Life Group and children's church rotations. If you have an hour a week to join our curriculum prep team, we would love to have you!

MBC STUDENTS

Jake Peters, Interim Student Pastor
jake@manchacabaptist.org

MBC Student Ministry exists to lead students to develop an authentic faith as Christ expresses His life through them.

Event Team

Throughout the year MBC Students host various events or retreats for students and their friends to help promote community, fellowship, and evangelism. On this team you would help with chaperoning, decorating, setting up, and breaking down/cleaning up after events. MBC Students typically tries to host about 2 events like this a semester. With COVID-19 going on currently this team will not likely be used as much as normal. With that in mind, our hope is to have a team together for when things do open up, we can begin to host events for our students and students in the area.

Life Group Leader

At MBC Students we don't just strive to connect all of our students together, but to also connect them to students in a similar phase of life as them. We accomplish this by offering Life Groups that pertain to Grade level (Middle School and High School) and gender (Male or Female). As a Life Group Leader, your role would be to work alongside the Student Pastor to help foster these relationships and lead them in discussion. With COVID-19 our official meeting times and days of the week are still being discussed but if this is something that interests you please contact us, and we can inform you how you can start getting involved.

WORSHIP & ARTS MINISTRY

Keith Davis, Worship Pastor
keith@manchacabaptist.org
512-282-0875

The MBC Worship Ministry's primary goal is it's calling; to effectively lead worship and to facilitate, train and encourage those who are involved in the process. All worship ministry positions are open to Students as well.

[Worship Band](#)

The worship band is always looking for new volunteers. We have added several new people this year and are looking to add more. We consider everyone on stage a worship leader, whether you play an instrument or sing. If you feel God calling you to lead worship and don't know what the next step is, please talk to Keith Davis about your calling.

[Tech Team](#)

The band could not do what they do on Sundays without the tech team. It is one of the most important volunteer positions in the church because if no one runs *tech*, no one hears the sermon or the music! If you feel called to serve but enjoy being in the background more than in the forefront, the tech team needs you!

The Tech Team oversees running the sound board, the computers that project the lyrics on the screens, lighting, video cameras and so much more. There is a lot of room for training, so if you think you don't know enough to serve, we can help get you up to speed.

[Video Production Team](#)

We are making plans to start a video production team that will assist in making the videos we show in our service. We also have plans to create our own worship intros and music videos of our team for YouTube. We need people with a little experience with video editing software and basic camera operation. If you are interested, please let us know.

ADULT MINISTRY

Jason White, Lead Pastor

[Greeter Ministry](#)

People often make up their minds about whether they will come back to a church based on how well they are welcomed when they first visit. This is why our Greeter Ministry is so important! Volunteers in this ministry greet guests and members with a smile and pass out bulletins as they come in the doors. Our greeters also help guests find their way around our building and get them where they need to be. Teams are set up on a monthly rotational basis.

[Life Group Leader](#)

At MBC we are all about experiencing the Life of Christ Together! We believe that discipleship happens best in the context of relationships, and our groups are designed to help foster those relationships that Christ uses for growth in our lives. Groups are not currently meeting in person at the building, but some groups

are meeting through Zoom or in outdoor/spacious settings. We are hoping to roll out new plans for Life Groups in January of 2021, so if you are interested in being a Life Group Leader please let us know!

[Prayer Ministry](#)

While we are all called to pray in our faith journey with the Lord, this ministry will give you the opportunity to pray over individuals in our worship services on Sunday mornings or in our prayer room after the services. It could also involve praying for/over our services or for individuals with specific needs throughout the week. At this time, we are looking for someone who could help organize this ministry and get it off the ground and running.

[Women's Ministry](#)

There is something about authentically connecting with other ladies and allowing Jesus to use each other to be a support and encouragement to one another. Our Ladies ministry strives to provide these kinds of environments for connection through weekly Bible studies, IF: Table, and various other ways. If you'd like to be a part of a planning team for future women's ministry events, we would love to have you sign up to help!

[Men's Ministry](#)

The Bible says that iron sharpens iron, and this is what we want our men's ministry to be about...Jesus using men to shape other men's lives. At this time, we have a weekly men's Bible study but would like to expand this to be a much more extensive ministry. If you have a heart to connect with other men for support and encouragement, we could use you in helping us get this ministry expanded!

[Kitchen Ministry](#)

Great conversations and connections often happen over a meal. If you love to cook or help create environments where meals take place, then this ministry is for you. There is a regular kitchen crew who cooks, serves a meal, and cleans up on Wednesday evenings throughout the school year, helps cook for our monthly Discover Guest Luncheon, and other events throughout the year. Volunteers are scheduled as needed. With the pandemic, this ministry is not currently meeting, but it is a ministry we hope to restart at some point when it is safe to do so.

[Usher Ministry](#)

An important piece of our worship service is having the opportunity to give tithes and offerings as an act of worship to the God who is responsible for providing the resources we have. Ushers help collect that offering each Sunday during our worship services. Usher volunteers are typically assigned a section on Sunday mornings just before the service.

[Landscaping Ministry](#)

The way our church property looks is a reflection of who we are as a church and it also says that we value/devalue the way our community looks to others. If you enjoy mowing or assisting in various landscaping areas, then you can help us maintain great curbside appeal in our community.

[Office Ministry](#)

Volunteer opportunities range anywhere from preparing Sunday morning coffee tables, secretarial duties, greeting visitors, answering phones, to assisting the Office Manager as needed. Opportunities to serve in this ministry range from 4 hrs. one day a week, to 7 hrs. one day a week.
