

A Firm Foundation! (Part 4)- Going Deeper Questions

Sunday, September 27, 2026

Question #1: Ephesians 2:19 reminds us that we are no longer strangers or outsiders, but members of God's family. Do you genuinely see yourself as someone who belongs in God's family? Are there places where you still feel like an outsider or find yourself sitting on the sidelines? What would it look like for you to become more vulnerable, connected, and engaged with your church family?

Question #2: How are you contributing to the family rather than simply attending the family? 1 Corinthians 12:27 says that we are all part of the body of Christ. Are you currently using your gifts, abilities, and experiences to strengthen others? What do you have to offer that God may want you to use for someone else's benefit? What is one step you could take to become more connected and involved?

Question #3: Who might God want you to help find their way home? God doesn't simply bring us into His family for our own benefit. He gives us a purpose and calls us to help others encounter Him. Who is someone in your life who may be searching for hope, community, or purpose? What would it look like to intentionally invite, encourage, serve, or reach out to that person? How might God want to use your story to help someone else find their way home?

Question #4: What is the foundation of your life? Jesus said the wise person is the one who hears His words and puts them into practice. When life becomes difficult, what do you naturally run to for security? Are you building your life primarily on Jesus, or are you depending on people, possessions, success, circumstances, or your own abilities? What would obedience to Jesus look like in that area this week?

Question #5: What do you need to build differently moving forward? As we close A Place to Belong, take a moment to look at the bigger picture. Do you know that you belong? Are you connected to God's family? Are you living out your God-given purpose? Is Jesus truly the foundation of your life? What is one area where God is asking you to move from simply hearing His Word to actually obeying it?

Challenge:

1. Take one intentional step toward deeper connection within the family of God.
2. Identify one area of your life that needs to be surrendered more fully to Jesus.
3. Think of one person who is far from God or disconnected from church. Pray for them every day this week, then take a tangible step toward them.
