

# Saddleback Children's Center

Summer Newsletter  
July and August  
2016

## Message from SCC:

Our Summer Programs offer a lot of opportunities for outdoor fun and activities that promise to make learning a joyful experience. Your children will enjoy a variety of sand and water activities, as well as joining together to celebrate different cultures. We will also include weekly Chapel and Bible stories to focus on learning God's word. Children that are headed to Kindergarten in the fall will continue in the process of preparing for that transition.

Meagan Kraszewski, Assistant Director
