REAL PEOPLE CAMP is held on the shores of beautiful Lake McCumber just seven miles east of Shingletown and twelve miles west of Lassen Volcanic National Park off Hwy 44. With a beautiful wooded area, lake, and recreation facility, this site offers the activities of outdoor camping while supplying the comforts of home - electricity, hot showers, cozy cabins and family style meals.

At an affordable cost, kids are sure to have one of their most exciting summers ever with our "Suit Up-Battle for Your Soul!" theme. They will be challenged to make a difference in their world while at the same time, competing as teams throughout the week in exciting games!

RPC, first held in 1986, as a children's ministry for the Orland Evangelical Free Church, has grown into a community wide camp for kids. Thanks to a core group of volunteers, more than 2,000 campers have enjoyed a fun-filled, Bible focused week at camp, creating memories that last a life time. In fact, many of our previous campers have since gone on to send their own kids to RPC or come on as staff themselves!

REAL PEOPLE CAMP--- JULY 15-19, 2019

Children are important to us. In fact, it could be said that there is nothing in the world more valuable. Because of this commitment, we believe that children, yours and ours, are worthy of our best. For nearly three decades we have brought together an excellent camp for our children. This year RPC is sure to be our greatest ever! Our staff and counselors are fully trained for their positions at camp, and carefully screened and chosen based on their love for children and a passion to see kids experience God's very best!

OUR SPEAKER- We are so excited to have Jeff Tollison as our speaker this year. Jeff and his wife Holly have five children. He is the Pastor at Christ Community Church in Vina as well as the Head of Schools at Providence Christian School. Jeff and his family love to go on adventures together: road trips to the beach, hiking, kayaking, biking, fishing, and hunting... to name a few! Really, with 5 kids, even going to the store is an adventure! They even have a pet tortoise named "Torty" Tollison. He loves the Gospel (as perfectly revealed by God's Word) and desires that all would know- especially young people – the glory of God in the person of Jesus Christ!
