

# GREAT SUMMER SO FAR!

What an incredible summer it's been so far! From five-year-old day campers to eighth-grade overnight campers — and everyone in between — we've been reminded daily that every camper has a story, and BGCC is a place where those stories are not only told, but embraced.

At the heart of it all is our summer staff, the lifeblood of our ministry. These teens and young adults are living out what it means to be safe, humble, engaged, and dependable, showing up every day to radically invest in the campers entrusted to us.

As one parent shared:

*"BGCC has been a huge growth experience for my daughter, and I was blown away by how supportive and capable the counselors and staff were in meeting her unique needs. Praising God for BGCC!"*

Thank you for being part of what God is doing here — your prayers, support, and encouragement make it all possible!

## QUARTERLY UPDATE

July 2025

## PRAYER REQUESTS

1. **Finishing strong!** Our ten-week summer camp season runs through August 8 — pray for energy, joy, and endurance for our staff team as they love and lead well through the final stretch.
2. **Camp Mystic.** We're grieving alongside the greater camp community after the recent tragedy in Texas. Pray for peace and comfort for all those impacted.
3. **Fall ministry.** Pray over upcoming BGCC events like Camp Access, summer staff gatherings, and Man Camp: that each would be meaningful, Spirit-led, and full of connection.
4. **Rental season.** Our calendar is full of guest groups this fall — pray for safety, smooth logistics, and for lives to be impacted on the BGCC property.
5. **Story Campaign.** We're nearing the \$1 million pledge mark! Pray for wisdom and continued provision as we meet with donors and steward each financial gift with care.

**BGCC has changed my life in so many ways. The campers that I have worked with over the years have been such an encouragement to my walk with the Lord. Hearing how the Lord is working in their lives and being able to share in that work by telling them about the Gospel and encouraging them with my testimony was a huge reason why I decided to pursue young adult ministry after college. I owe so much to BGCC and I am thankful to the amazing staff and supporters that allow it to run year after year.**

## QUARTER 2 PROJECT HIGHLIGHTS

- The Programming Director's House is progressing well — we are set to finish construction within the next three months!
- After discovering unexpected damage in the spring, new roofs were installed on Cabins 1-3. We utilized Chapter 3 funds early to ensure everything was ready for summer campers.
- The west side of the Dining Hall is undergoing a significant renovation — new double doors, windows, shingles, and updated flooring are all in progress to make the space even more welcoming and accessible!
