ABOUT US

Our property covers just under 40 acres and it is split between Fayette and Clark counties in Central KY. The Campside is in Fayette county and the Retreatside is in Clark county.

We have availability for rental groups to reserve our spaces each year from mid-August through early May.

We operate our own summer camps each year from mid-May through Early August, so **we do not host rental groups during the summer.**

OUR MISSION

Life is hard and can sometimes feel overwhelming. Students feel isolated and distracted. Parents are frustrated and at times can feel powerless to meet the needs of their children. Churches and communities are discouraged and under resourced.

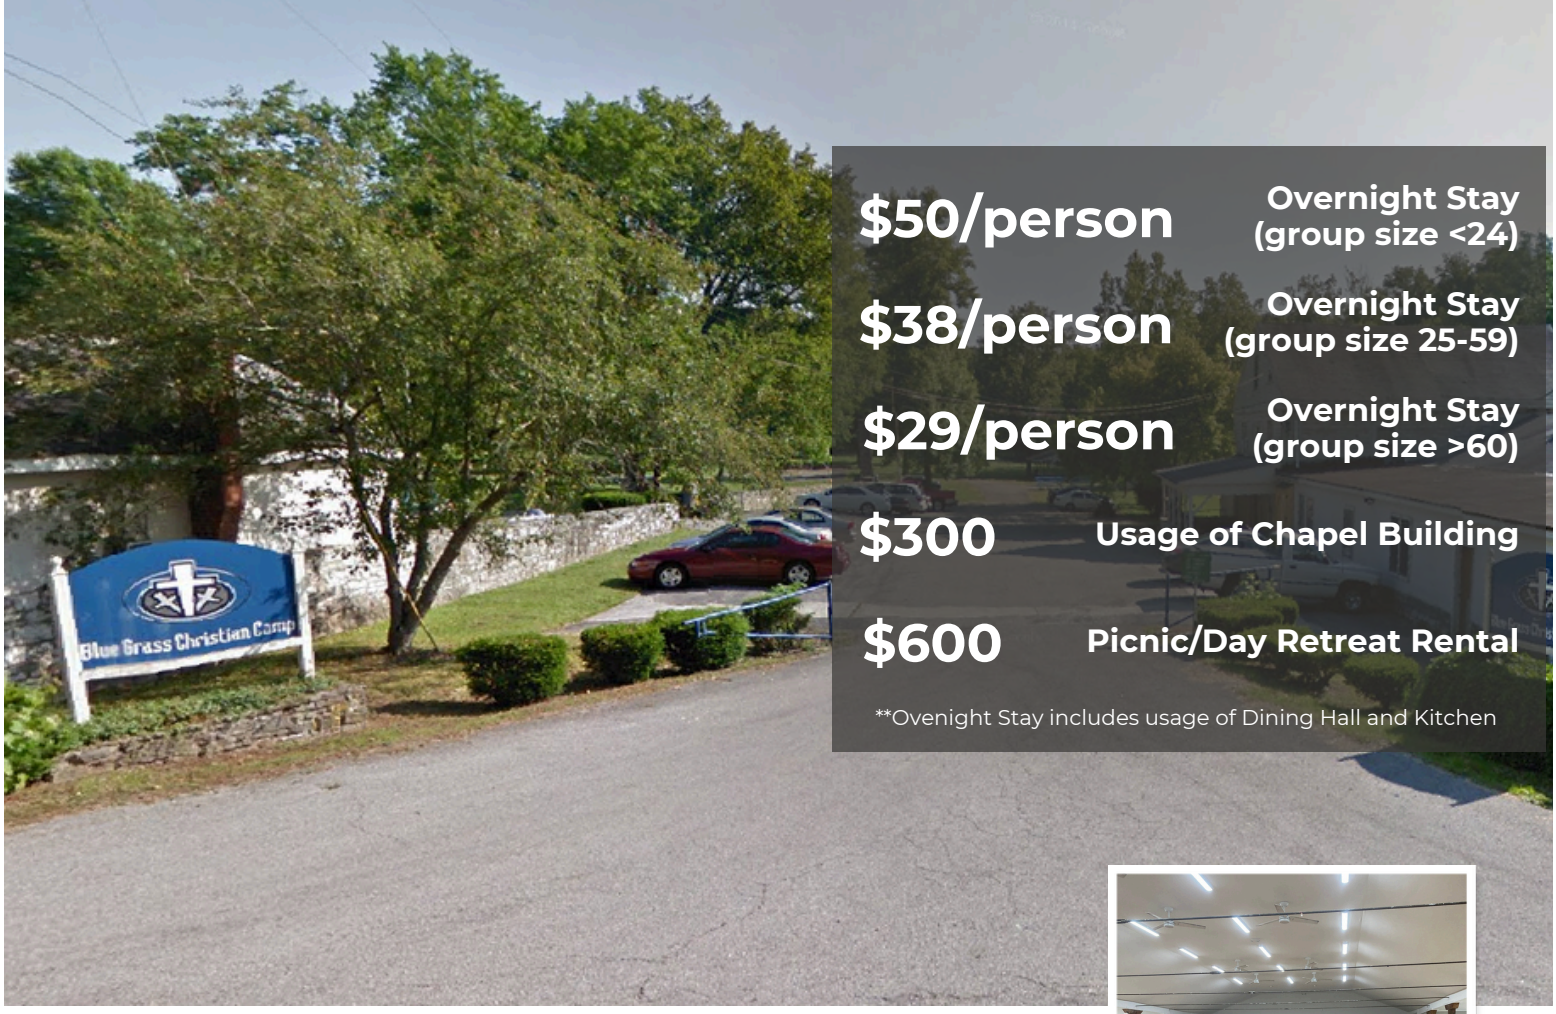

So, we **Disciple Youth, Empower Families, Encourage the Church** and **Engage the Community** to help people reconnect with what really matters:

A relationship with Jesus Christ.
