PRAYER REQUESTS

- **2026 Summer Staff & Leadership Discernment:** Pray for the high school and college students who apply and for wisdom as we build our summer staff team.
- **Chapter 2:** Pray for God's provision and clarity as we continue fundraising toward a debt-free dorm build.
- **Sustainability & Community Engagement:** Pray for unity, wisdom, and Spirit-led direction as BGCC launches a focused five-year emphasis on long-term sustainability and deeper community connection alongside the STORY Campaign.
- **Year-Round Ministry & Summer 2026 Prep:** Pray that winter retreats and rental groups experience rest and renewal, and for creativity and preparation as we plan for Summer Camp 2026.

“Our family makes Blue Grass Christian Camp a priority for each of our kids every summer, arranging our entire childcare and summer camp schedule around the most important one of all. I continue to be impressed with the leadership, counselors, the quality of their training, and how much of a positive impact and interest they show in kids that are at such an impressionable age. One of our favorite memories is from July 22, 2022, when our son was baptized in Boone Creek at BGCC. Stories that are told and pictures that are shared become core memories, ones that we hope will be passed on and relived by our grandchildren.”
