

# **Policy – Presentations from Outside Groups**

## **Woodlawn Christian Church**

### **Purpose**

The purpose of this policy is to establish procedures for the handling of requests from outside persons, groups, or agencies to make presentations to the church body.

### **Procedures - Presentations**

1. When an individual or organization wishes to make a presentation to the church body, the request shall be presented to the elders for approval.
2. No outside entity may make a presentation on church grounds without the advanced approval of the elders. This includes (but is not limited to) preachers, special speakers and not-for-profit organizations. The elders have the final decision on individual requests.
3. It is the responsibility of the minister to communicate special requests to the elders.
4. It is assumed that any person or organization making a presentation would share our church's core values.
