I hope everyone has enjoyed the many and varied musical offerings that were shared with the St. Stephen's community throughout the month of July! It's really a perfect example of how deep the musical talent runs in our family of faith. Many, many thanks to all of the fine musicians who volunteered their time and talent to serve SSUMC.

With the start of August, the choir will resume regular Wednesday evening rehearsals and musical leadership at our

two Sunday morning worship services AND YOU ARE INVITED!!! We rehearse Wednesday evenings from 7:00 - 8:30 pm in the sanctuary. We are a lively bunch of fun-loving, music making, good hearted people and there is ALWAYS a place for you with us. AND, we'll be jumping quickly into Advent music and I know you won't want to miss out on that!

And the same goes for our two AWESOME St. Stephen's bell choirs! We are definitely in need

of a few more ringers as we kick off the fall season and you are invited to join in the fun. Starting dates are TBD at the time of the writing of this article, but will be announced soon. The bells have been polished to a high shine, new music has been purchased and the entire area has been re-organized - it's going to be a fun year of ringing!

Our children's music programming associated with Sunday Night Live will also be resuming very soon. St. Stephen's will host a church wide "Fall Kick-Off" celebration and potluck on Sunday, August 23rd and this will be the unofficial start of the 2026-2027 SNL season. Stay tuned for more details about the

Youth Shenanigans

How are we already in August? It seems like the summer has flown by and we are gearing up for the new school year and all the adventures that will be in store for our students. July was a great month and our summer mission trip was even better. We had a wonderful time in Fayetteville and are looking forward to sharing all the stories at the Stockholder Dinner and again on Youth Sunday. The dates for both of those events are still to be determined, but Alyssa will let everyone know as soon as something has been finalized.

A special thank you goes out to our awesome adults who went with us this year: Chad Morris, Amy Prince, and Erik Paulson. They were generous enough to share their time, talents, cooking, and love with our kiddos and I am forever grateful for each of them.

August 9th will be the annual swim party to welcome in our newest 6th graders at the home of George and Laurel W. This will be the 4th year they have offered to host and feed our students and we are so grateful to them for sharing their home and pool with us. If you have a student who will be entering into the 6th-12th grade this school year and want some more information on the swimming party, please reach out to Alyssa.

I look forward to the new year and the new faces we will be welcoming. Stay blessed my friends!

Young Love and the Paths of Immigration

Once upon a time, Russian and Ukrainian children ages 6-16 played together in summer youth camps across Crimea, Ukraine. There, before the Russian invasion of 2014, Sorin Kosia (12) from Ukraine and Galina Brauer (9) from Russia and their circles of friends met and took part in all the recreational camp activities. Over the years, they corresponded and kept in touch. Sorin completed a bachelor's degree at the University of Kyiv. They learned English in their respective Ukrainian and Russian schools.

Figure 1. Sorin & Galina with NCRS Chair Brent Smith

When Galina's piano and organ performance developed into a special talent, she notified Sorin she was at OU on a music performance scholarship and sponsored Sorin to come to the U.S. on a United For Ukraine (U4U) visa in 2024. The NCRS learned about Sorin and chose to support him. He quickly found employment and was soon paying his expenses. Sorin and Galina grew close and fell in love. Galina graduated with a master's degree in music performance and they married in early 2026. While Galina's musical talent and OU connections are creating an immigration path to U.S. citizenship, Sorin's immigration status was ending with no path forward. He had contacts in Europe and decided to self-deport to Romania this summer. For now, Galina will remain here pursuing a career in music performance. Sorin will work in Europe. They will visit each other on travel visas in the U.S. and Europe and over time Galina will sponsor Sorin for a green card and U.S. citizenship.

Dreams delayed of a young couple's future is not uncommon in the world of immigrants.

Many at St. Stephens may remember meeting Shabnam Khalilyar. Shabnam spoke at St. Stephen's in 2024 at a Roundtable. Shabnam was the first University of Oklahoma Afghan At-risk Scholar brought to study and resettle in Norman in 2022. She was a young Afghan journalist assigned to the Afghan presidential palace in Kabul where she was in charge of social media. Her grandfather had been a journalist and as the Aghan government fell he urged Shabnam to leave immediately.

She came to OU on a full fellowship to get a master's degree in International Studies. NCRS housed, provided furnishings and employed her part-time in several support roles. She speaks six languages, including Pashto the most common language among the NCRS Afghan families. The NCRS leadership team served as her primary family liaison, transporting her to appointments, teaching her to drive and checking on her regularly. A St. Stephen's family donated their car to Shabnam. It was in an OU class on foreign policy where she met a young American student, Konrad Sartorius.

They fell in love, both graduated with master's degrees in international studies and they married in November, 2025.

Konrad took a position with a Washington DC think tank associated with the U.S. State Department and they moved this summer to downtown D.C. to start their new lives together.

I hope everyone has enjoyed the many and varied musical offerings that were shared with the St. Stephen's community throughout the month of July! It's really a perfect example of how deep the musical talent runs in our family of faith. Many, many thanks to all of the fine musicians who volunteered their time and talent to serve SSUMC.

With the start of August, the choir will resume regular Wednesday evening rehearsals and musical leadership at our

two Sunday morning worship services AND YOU ARE INVITED!!! We rehearse Wednesday evenings from 7:00 - 8:30 pm in the sanctuary. We are a lively bunch of fun-loving, music making, good hearted people and there is ALWAYS a place for you with us. AND, we'll be jumping quickly into Advent music and I know you won't want to miss out on that!

And the same goes for our two AWESOME St. Stephen's bell choirs! We are definitely in need

of a few more ringers as we kick off the fall season and you are invited to join in the fun. Starting dates are TBD at the time of the writing of this article, but will be announced soon. The bells have been polished to a high shine, new music has been purchased and the entire area has been re-organized - it's going to be a fun year of ringing!

Our children's music programming associated with Sunday Night Live will also be resuming very soon. St. Stephen's will host a church wide "Fall Kick-Off" celebration and potluck on Sunday, August 23rd and this will be the unofficial start of the 2026-2027 SNL season. Youth Shenanigans

How are we already in August? It seems like the summer has flown by and we are gearing up for the new school year and all the adventures that will be in store for our students. July was a great month and our summer mission trip was even better. We had a wonderful time in Fayetteville and are looking forward to sharing all the stories at the Stockholder Dinner and again on Youth Sunday. The dates for both of those events are still to be determined, but Alyssa will let everyone know as soon as something has been finalized.

A special thank you goes out to our awesome adults who went with us this year: Chad Morris, Amy Prince, and Erik Paulson. They were generous enough to share their time, talents, cooking, and love with our kiddos and I am forever grateful for each of them.

August 9th will be the annual swim party to welcome in our newest 6th graders at the home of George and Laurel W. This will be the 4th year they have offered to host and feed our students and we are so grateful to them for sharing their home and pool with us. If you have a student who will be entering into the 6th-12th grade this school year and want some more information on the swimming party, please reach out to Alyssa.

I look forward to the new year and the new faces we will be welcoming. Stay blessed my friends!

Young Love and the Paths of Immigration

Once upon a time, Russian and Ukrainian children ages 6-16 played together in summer youth camps across Crimea, Ukraine. There, before the Russian invasion of 2014, Sorin Kosia (12) from Ukraine and Galina Brauer (9) from Russia and their circles of friends met and took part in all the recreational camp activities. Over the years, they corresponded and kept in touch. Sorin completed a bachelor's degree at the University of Kyiv. They learned English in their respective Ukrainian and Russian schools.

Figure 1. Sorin & Galina with NCRS Chair Brent Smith

When Galina's piano and organ performance developed into a special talent, she notified Sorin she was at OU on a music performance scholarship and sponsored Sorin to come to the U.S. on a United For Ukraine (U4U) visa in 2024. The NCRS learned about Sorin and chose to support him. He quickly found employment and was soon paying his expenses. Sorin and Galina grew close and fell in love. Galina graduated with a master's degree in music performance and they married in early 2026. While Galina's musical talent and OU connections are creating an immigration path to U.S. citizenship, Sorin's immigration status was ending with no path forward. He had contacts in Europe and decided to self-deport to Romania this summer. For now, Galina will remain here pursuing a career in music performance. Sorin will work in Europe. They will visit each other on travel visas in the U.S. and Europe and over time Galina will sponsor Sorin for a green card and U.S. citizenship.

Dreams delayed of a young couple's future is not uncommon in the world of immigrants.

Many at St. Stephens may remember meeting Shabnam Khalilyar. Shabnam spoke at St. Stephen's in 2024 at a Roundtable. Shabnam was the first University of Oklahoma Afghan At-risk Scholar brought to study and resettle in Norman in 2022. She was a young Afghan journalist assigned to the Afghan presidential palace in Kabul where she was in charge of social media. Her grandfather had been a journalist and as the Aghan government fell he urged Shabnam to leave immediately.

She came to OU on a full fellowship to get a master's degree in International Studies. NCRS housed, provided furnishings and employed her part-time in several support roles. She speaks six languages, including Pashto the most common language among the NCRS Afghan families. Galina graduated with a master's degree in music performance and they married in early 2026. While Galina's musical talent and OU connections are creating an immigration path to U.S. citizenship, Sorin's immigration status was ending with no path forward. He had contacts in Europe and decided to self-deport to Romania this summer. For now, Galina will remain here pursuing a career in music performance. Sorin will work in Europe. They will visit each other on travel visas in the U.S. and Europe and over time Galina will sponsor Sorin for a green card and U.S. citizenship.

Dreams delayed of a young couple's future is not uncommon in the world of immigrants.

Many at St. Stephens may remember meeting Shabnam Khalilyar. Shabnam spoke at St. Stephen's in 2024 at a Roundtable. Shabnam was the first University of Oklahoma Afghan At-risk Scholar brought to study and resettle in Norman in 2022. She was a young Afghan journalist assigned to the Afghan presidential palace in Kabul where she was in charge of social media. Her grandfather had been a journalist and as the Aghan government fell he urged Shabnam to leave immediately.

She came to OU on a full fellowship to get a master's degree in International Studies. NCRS housed, provided furnishings and employed her part-time in several support roles. She speaks six languages, including Pashto the most common language among the NCRS Afghan families. The NCRS leadership team served as her primary family liaison, transporting her to appointments, teaching her to drive and checking on her regularly. A St. Stephen's family donated their car to Shabnam. It was in an OU class on foreign policy where she met a young American student, Konrad Sartorius.

They fell in love, both graduated with master's degrees in international studies and they married in November, 2025.

Konrad took a position with a Washington DC think tank associated with the U.S. State Department and they moved this summer to downtown D.C. to start their new lives together.

I hope everyone has enjoyed the many and varied musical offerings that were shared with the St. Stephen's community throughout the month of July! It's really a perfect example of how deep the musical talent runs in our family of faith. Many, many thanks to all of the fine musicians who volunteered their time and talent to serve SSUMC.

With the start of August, the choir will resume regular Wednesday evening rehearsals and musical leadership at our

two Sunday morning worship services AND YOU ARE INVITED!!! We rehearse Wednesday evenings from 7:00 - 8:30 pm in the sanctuary. We are a lively bunch of fun-loving, music making, good hearted people and there is ALWAYS a place for you with us. AND, we'll be jumping quickly into Advent music and I know you won't want to miss out on that!

And the same goes for our two AWESOME St. Stephen's bell choirs! We are definitely in need

of a few more ringers as we kick off the fall season and you are invited to join in the fun. Starting dates are TBD at the time of the writing of this article, but will be announced soon. The bells have been polished to a high shine, new music has been purchased and the entire area has been re-organized - it's going to be a fun year of ringing!

Our children's music programming associated with Sunday Night Live will also be resuming very soon. St. Stephen's will host a church wide "Fall Kick-Off" celebration and potluck on Sunday, August 23rd and this will be the unofficial start of the 2026-2027 SNL season. Youth Shenanigans

How are we already in August? It seems like the summer has flown by and we are gearing up for the new school year and all the adventures that will be in store for our students. July was a great month and our summer mission trip was even better. We had a wonderful time in Fayetteville and are looking forward to sharing all the stories at the Stockholder Dinner and again on Youth Sunday. The dates for both of those events are still to be determined, but Alyssa will let everyone know as soon as something has been finalized.

A special thank you goes out to our awesome adults who went with us this year: Chad Morris, Amy Prince, and Erik Paulson. They were generous enough to share their time, talents, cooking, and love with our kiddos and I am forever grateful for each of them.

August 9th will be the annual swim party to welcome in our newest 6th graders at the home of George and Laurel W. This will be the 4th year they have offered to host and feed our students and we are so grateful to them for sharing their home and pool with us. If you have a student who will be entering into the 6th-12th grade this school year and want some more information on the swimming party, please reach out to Alyssa.

I look forward to the new year and the new faces we will be welcoming. Stay blessed my friends!

Young Love and the Paths of Immigration

Once upon a time, Russian and Ukrainian children ages 6-16 played together in summer youth camps across Crimea, Ukraine. There, before the Russian invasion of 2014, Sorin Kosia (12) from Ukraine and Galina Brauer (9) from Russia and their circles of friends met and took part in all the recreational camp activities. Over the years, they corresponded and kept in touch. Sorin completed a bachelor's degree at the University of Kyiv. They learned English in their respective Ukrainian and Russian schools.

Figure 1. Sorin & Galina with NCRS Chair Brent Smith

When Galina's piano and organ performance developed into a special talent, she notified Sorin she was at OU on a music performance scholarship and sponsored Sorin to come to the U.S. on a United For Ukraine (U4U) visa in 2024. The NCRS learned about Sorin and chose to support him. He quickly found employment and was soon paying his expenses. Sorin and Galina grew close and fell in love. Galina graduated with a master's degree in music performance and they married in early 2026. While Galina's musical talent and OU connections are creating an immigration path to U.S. citizenship, Sorin's immigration status was ending with no path forward. Young Love and the Paths of Immigration

Once upon a time, Russian and Ukrainian children ages 6-16 played together in summer youth camps across Crimea, Ukraine. There, before the Russian invasion of 2014, Sorin Kosia (12) from Ukraine and Galina Brauer (9) from Russia and their circles of friends met and took part in all the recreational camp activities. Over the years, they corresponded and kept in touch. Sorin completed a bachelor's degree at the University of Kyiv. They learned English in their respective Ukrainian and Russian schools.

When Galina's piano and organ performance developed into a special talent, she notified Sorin she was at OU on a music performance scholarship and sponsored Sorin to come to the U.S. on a United For Ukraine (U4U) visa in 2024. The NCRS learned about Sorin and chose to support him. He quickly found employment and was soon paying his expenses. Sorin and Galina grew close and fell in love. Galina graduated with a master's degree in music performance and they married in early 2026. While Galina's musical talent and OU connections are creating an immigration path to U.S. citizenship, Sorin's immigration status was ending with no path forward. He had contacts in Europe and decided to self-deport to Romania this summer. For now, Galina will remain here pursuing a career in music performance. Sorin will work in Europe. They will visit each other on travel visas in the U.S. and Europe and over time Galina will sponsor Sorin for a green card and U.S. citizenship.

Dreams delayed of a young couple's future is not uncommon in the world of immigrants.

Many at St. Stephens may remember meeting Shabnam Khalilyar. Shabnam spoke at St. Stephen's in 2024 at a Roundtable. Shabnam was the first University of Oklahoma Afghan At-risk Scholar brought to study and resettle in Norman in 2022. She was a young Afghan journalist assigned to the Afghan presidential palace in Kabul where she was in charge of social media. Her grandfather had been a journalist and as the Aghan government fell he urged Shabnam to leave immediately.

She came to OU on a full fellowship to get a master's degree in International Studies. NCRS housed, provided furnishings and employed her part-time in several support roles. She speaks six languages, including Pashto the most common language among the NCRS Afghan families. The NCRS leadership team served as her primary family liaison, transporting her to appointments, teaching her to drive and checking on her regularly. A St. Stephen's family donated their car to Shabnam. It was in an OU class on foreign policy where she met a young American student, Konrad Sartorius.

They fell in love, both graduated with master's degrees in international studies and they married in November, 2025.

Konrad took a position with a Washington DC think tank associated with the U.S. State Department and they moved this summer to downtown D.C. to start their new lives together.

I hope everyone has enjoyed the many and varied musical offerings that were shared with the St. Stephen's community throughout the month of July! It's really a perfect example of how deep the musical talent runs in our family of faith. Many, many thanks to all of the fine musicians who volunteered their time and talent to serve SSUMC.

With the start of August, the choir will resume regular Wednesday evening rehearsals and musical leadership at our

two Sunday morning worship services AND YOU ARE INVITED!!! We rehearse Wednesday evenings from 7:00 - 8:30 pm in the sanctuary. We are a lively bunch of fun-loving, music making, good hearted people and there is ALWAYS a place for you with us. AND, we'll be jumping quickly into Advent music and I know you won't want to miss out on that!

And the same goes for our two AWESOME St. Stephen's bell choirs! We are definitely in need

of a few more ringers as we kick off the fall season and you are invited to join in the fun. Starting dates are TBD at the time of the writing of this article, but will be announced soon. The bells have been polished to a high shine, new music has been purchased and the entire area has been re-organized - it's going to be a fun year of ringing!

Our children's music programming associated with Sunday Night Live will also be resuming very soon. St. Stephen's will host a church wide "Fall Kick-Off" celebration and potluck on Sunday, August 23rd and this will be the unofficial start of the 2026-2027 SNL season. Youth Shenanigans

How are we already in August? It seems like the summer has flown by and we are gearing up for the new school year and all the adventures that will be in store for our students. July was a great month and our summer mission trip was even better. We had a wonderful time in Fayetteville and are looking forward to sharing all the stories at the Stockholder Dinner and again on Youth Sunday. The dates for both of those events are still to be determined, but Alyssa will let everyone know as soon as something has been finalized.

A special thank you goes out to our awesome adults who went with us this year: Chad Morris, Amy Prince, and Erik Paulson. They were generous enough to share their time, talents, cooking, and love with our kiddos and I am forever grateful for each of them.

August 9th will be the annual swim party to welcome in our newest 6th graders at the home of George and Laurel W. This will be the 4th year they have offered to host and feed our students and we are so grateful to them for sharing their home and pool with us. If you have a student who will be entering into the 6th-12th grade this school year and want some more information on the swimming party, please reach out to Alyssa.
