PASTOR'S MESSAGE

Dear Saints of St Paul's

More gym memberships are purchased in January than any other time of the year. The new year brings thoughts of how things could be different in the year to come. Resolutions, hopes, and dreams, and the rekindling of old ideas can be exciting! What these ideas require is time. Nobody has more time or less time than anyone else. So how we use our time God has given us can make a difference.

Psalm 90:12 *Teach us to number our days, that we may gain a heart of wisdom.*

We also see from the Scriptures

Ecclesiastes 3:11-12 *Yet God has made everything beautiful for its own time. He has planted eternity in the human heart, but even so, people cannot see the whole scope of God's work from beginning to end.*

God has invested his Son and all creation for us. Spend some time in the Word and see the amazing things that God has done on our behalf.

Blessings and Happy New Year.
