THE MADRIGAL SINGERS

The Madrigals concert was a great success as always. Choir Director Karen Gardias once again brought her traveling band of carolers for their 47th year at St. Paul's Lutheran Church. This was a community wide event with people coming from all walks of life: 25 Madrigals and 128 audience, totaling 153. Eleven team-players helped with setup, decorating, ushering, serving, and cleanup. Six beautifully hand-made gingerbread houses decorated the dessert tables. We had 18 industrious bakers share 70 dozen cookies (840).

A good-will offering of \$664 was collected in support of the Davis High School Madrigal Singers.

We would like to give as special thank you to Joy Van Camp for coordinating the event again this year. She does a wonderful job every year.

THE HEIFER PROJECT

Heifer Project International is a world-wide, self-help nonprofit hunger organization, helping people to help themselves by providing livestock and poultry for families in the U.S. and in more than 110 countries around the world. St. Paul's gift through our Christmas Card greeting project this last December was \$1,170.00.

Thank you to Roberta Devine for coordinating the project, and a special thank you to those who participated in this project!

YEAR END STATEMENTS

The 2019 Year End Contribution Statements (if you used envelopes) will be available the middle of January for you to pick up from the narthex of the church on Sunday mornings. This is the statement of your total contribution for the year that is used for tax purposes.

BOXTOP LABELS

Continue to save and donate your boxtops to St. Paul's Preschool, they are greatly appreciated. Just drop them off on Sundays mornings or bring to the preschool or church office. (This is a continuing project to earn cash for miscellaneous items the school needs.)
