PRESCHOOL REPORT

The Preschool is doing well and we thank God that we continue to be free of sickness among the children and staff. Our summer program is in full swing and we currently have 13 children and will be adding 1 more in July. Since the parks are closed we cannot take our weekly field trip there so we are having a water day at the school instead. We have Laurie Stephens joining us as a substitute for the teachers taking vacations. I thought that we would be able to have all the teachers work everyday during the summer but our current enrollment isn't high enough to do that, so some of the teachers are working a 4 day week. Hopefully they will be at full schedule by the fall session. -Lisa Gallego
