CHUCK SACKETT is the preaching minister at the 1,100+ Madison Park Christian Church in Quincy, IL. He is also a professor at large at Lincoln Christian University, an Adjunct Professor at TCM International, and teaches in the DMin program at Beeson Divinity School in Birmingham, AL.

BRIAN LOWERY is the Director of Spiritual Life at Lincoln Christian University. He is an excellent preacher and teacher and grew up on and around LCU. He will encourage, instruct, and inspire you in your Christ-like development.

PHIL MARTIN is the long time minister of the Salem 1st Christian Church, going from a member of the youth group through the Salem School system, to college, back as youth minister and now as the senior minister of the over 500 member congregation.

CARROLL ROSS has ministered with the Headyville Christian Church and the Winterrowd Christian Church for over forty years while working at other jobs. He definitely knows what it takes to be a bi-vocational minister.

RON PAYNE ministered with the Ingraham Christian Church for forty-seven years before retiring in 2013. He still preaches most Sundays during the year, leads the seniors' ministry and the Hispanic ministry at the Red Brush Christian Church, plus writes, makes calls, etc. In his free time, he works at the local funeral home.

JONATHAN GOODMAN began serving as part time worship minister at Red Brush Christian Church in 2010, while attending St. Louis Christian College. Upon graduation he joined the staff full time. Jonathan is a gifted worship leader.

=== NOTICE ===

This conference began in 1979. It was a three day conference for the first ten years. After an eight year hiatus, it was revived as a one day event and it continued for twenty-four more years. Ron has decided that it is time for him to let it go, so this will be the final year of this ministry under his direction. It has been a joy and blessing through the years and has helped hundreds of ministers and their congregations. We are so thankful to the camp for hosting it these past six years.
