

JANUARY 2026

### Upcoming Events:

**Men's Night**

Feb 6

**High School Retreat**

Feb 15-16

**Big Overnighter**

March 6-7

**Ladies' Day**

March 21

**Camp Registrations Opens**

March 2

Caleb Kaltenbach will be our speaker this year. He will be speaking on his experience of growing up with family members in the LGBTQ+ community and how he saw Christians extend truth and grace...or in some situations they didn't. Today, Caleb is one of the pastors at Shepherd Church in Los Angeles. Much of his ministry focuses on ministering to families navigating the tension of this topic. Friday night he will be sharing his testimony and experiences. You won't want to miss it!

**BONUS SESSIONS:** We are partnering with Kinmundy Christian Church for **\*NEW\* Saturday Sessions**. The Saturday sessions will be the nuts and bolts of how do we personally share our faith with members of the LGBTQ+ community, as well as how do our churches navigate this area. The Saturday sessions are FREE with purchase of a Men's Night Ticket. But wait, there's more: **The Saturday sessions are open to MEN & WOMEN!**

### **High School Retreat is February 15-16**

We will be learning how to wake up and live life with purpose! Students will register through their church leaders. Learn more at [oilbelt.com](http://oilbelt.com)

### **Summer Staff Needed!**

We're hiring college-age summer staff for 2026! Serve, grow, and help point campers to Jesus while working alongside an incredible team! \$500/week + food, housing & time off. Learn more at [oilbelt.com](http://oilbelt.com)

## Fill The ARC!

Oil Belt is starting a 2-part campaign to upgrade the projectors, sound system and seating in the Activity Building, *aka: The ARC!*

The first phase is the projectors and sound system. To start 2026, \$111,000 has been given towards the campaign! We are blown away by the generosity and support of others! Thank you!

The goal is to have the funds and work completed by Men's Night. Yes, it's a big goal!

The second phase has a larger goal to upgrade to permanent, collapsible bleachers. We also will be doing a few upgrades in lighting and purchasing 500 more chairs.

## Branson Trip Highlight!

Our second Bus Tour took a group of 84 people to Branson this past month! They enjoyed great shows, amazing food and great fellowship! Thank you to everyone who joined!

Be watching for information about more trips and new locations in the future!

From all of us here at camp, we hope and pray you had a very Merry Christmas and a Happy New Year!

Have you considered  
leaving a legacy gift  
to Oil Belt?

## ESTATE PLANNING

CREATING A LEGACY THAT LASTS FOR ETERNITY

We have partnered with a planned giving specialist to assist our supporters in thinking through major gifts, gifts of stock or other appreciated assets, gifts-in-kind, gifts of grain, estate planning, and much more. ***If you are wondering about other ways to give than just a one-time gift, we can help!***
