Oil Belt is starting a 2-part campaign to upgrade the projectors, sound system and seating in the Activity Building, *aka: The ARC!* The first phase is the projectors and sound system. The goal is to have the funds and work completed by Men's Night. Yes, it's a big goal! The second phase has a larger goal to upgrade to permanent, collapsible bleachers. We also will be doing a few upgrades in lighting and purchasing 500 more chairs. To see the full project and give, go to OilBelt.com!

Men's Night is Friday, February 6th!

Caleb Kaltenbach is a speaker we have been trying to get for years. He is also an author who has written several books, including Messy Grace.

Also, We are partnering with Kinmundy Christian Church for *NEW* Saturday Sessions. The Saturday sessions are FREE with purchase of a Men's Night Ticket. The Saturday sessions are open to MEN & WOMEN!

October Highlights

October began our retreat and rental season!

- 238 students and leaders had a wild weekend taking it back to the 90's at Strange! Students and leaders learned about *"What Would Jesus Do?"* by hearing stories about Jesus and how he responded to different situation that Jr. Highers may face. The students were led in worship and teachings by the team from Ozark!
- Senior Adult Day we had an absolute blast! 92 guests joined us for laughs, worship and fellowship. Over \$2,000 was given in an offering to benefit the camp. David Upchurch brought the message. Trisha Carter led the day in worship. Samuel Odle wowed the crowd with his talents by performing on the piano.
- Several Schools have come out and participated in our Team Building activities

ESTATE PLANNING GUIDE

CREATING A LEGACY THAT LASTS FOR ETERNITY

Oil Belt has partnered with a planned giving specialist to assist its supporters to think through major gifts. If you're wondering what it would look like to plan a major gift, leave Oil Belt in a will, give non-cash assets like grain, land, stocks, a vehicle or more, that we have a Christian specialist who'd be glad to assist you.
