Fill The ARC!

Fill the ARC Update!

Work has begun to update the sound and projectors in the Activity Building!

You've helped us cross 30% of the GOAL in just 2 months!!! \$114,686 have been given! Thank you for giving so generously!

Because of your giving, many of the items have been purchased and are in the installation phase.

The chairs, lighting, and bleachers are next on the list! Thank you for continuous support to camp!

The second phase has a larger goal to upgrade to permanent collapsible bleachers. We also will be doing a few upgrades in lighting and purchasing 500 more chairs.

To see the full project and give, go to oilbelt.com!

Mission Trip Highlight

Between Christmas and New Year's, **18 students and leaders** traveled to **Acuña, Mexico**, to partner with **Casas por Cristo**. Over a few days of long hours and hard work, the team built and dedicated a new home to a family—sharing with them that God sees, provides, and deeply loves them.

The students who went came ready to serve. They worked hard, loved well, and pointed people to Jesus—not just through building a house, but by sharing the gospel, praying with the family, and showing Christ in how they served. They returned home tired but grateful, reminded again that when God sends His people out, He truly does lead them forth in joy and peace.

“For you shall go out in joy and be led forth in peace.” — Isaiah 55:12
