### **Andrew and Sarah Davis**

In New Zealand with Youth with a Mission

#### ***Praise God that...***

- Andrew and son Elliott arrived safely back home from the most recent YWAM Dental ship ministry in Fiji.
- While in Fiji, they were joined by “Yachts for Life”, a group of Fijians, Europeans, Americans, and Islanders with a passion for learning to sail as well as Bible training and distribution; going around the islands they brought much support and life to the YWAM team. They also assisted with medical screenings, handing out eyeglasses, sailing team members to the airport, picking and dropping off the team to different small islands around.

#### ***Please pray...***

- That God will touch Elliott’s heart for serving others in Jesus’ name as a result of this experience.
- For good health and safety as Andrew, Sarah and the children return to the U.S. Sept 21-Oct 21 for a visit with family, friends & also to attend a wedding.
